

The **Adventure Amputee Camp**, Inc. is a nonprofit organization, founded in 2006, to run a camp for children with limb deficiencies (amputations). You may be familiar with the camp, as it has been going strong since 1995 under the name, ACT Kid's Camp. The Adventure Amputee Camp is run entirely on volunteer efforts and donations. Funding covers food, lodging, activities and transportation. In 2007, donors supported 32 campers to five days of outdoor challenges, great fun and laughter. Please take a moment to read the letter below from a previous camper and her mother. If you can make a donation to **Adventure Amputee Camp, Inc.**, or give this letter to someone who can, we would greatly appreciate it. Thank you for your consideration and interest.

*"I thought the camp was fun. I did all the activities. We went white water rafting, climbed a rope course and I went on the forty-foot swing. We went water skiing, tubing, and we went on the water disc. I have no complaints; I just wish that I could have stayed longer. The counselors were very nice. **I had never met a person with a missing limb. I plan on attending the camp next year.**"*

*"Hi, I am her mom. I would like to thank everyone who puts a group like this together. My family and I think our daughter is an outstanding little girl for all she has been through. **Before this camp, she had never met anyone with a missing limb, she sometimes felt out of place around school and the town in which we live. She enjoyed all of the kids and made some nice friends.**"*
